

CLOS DE NAPA
RUTHERFORD CABERNET SAUVIGNON
(2020)

“Trevor Sheehan at Precision Wine Company makes this cabernet, packed with black-currant richness yet on the underside of ripeness. The perfumed tannins have a bosky feel, more breathable than taste-able, their muscular hold on the fruit not diminishing its cushioned feel. This is not a wine to age, but to drink now with chopped sirloin off the grill.”
