

MANZANILLA

- Ageing under veil of **flor** (biological)
- Pale **golden** colour.
- **Pungent** and fresh to the nose
- Very dry, hints of **salinity**
- Alcohol content 15% vol.

MANZANILLA

The gentle sea breezes of Sanlúcar de Barrameda help to give this wine a very dry, light crisp and slightly salty flavour. It is superb as an aperitif and can also accompany soups, seafood and fish dishes.
