

Cinema Wines S.L.

Cinema 6 meses en barrica

“A star is born in D.O. Ribera del Duero”

It's a 100% Tempranillo wine matured 6 months in French and American oak and a minimum of 6 months in the bottle.

It is the first wine in the world that allows the consumer to know the bottle's exact temperature. Thanks to its sophisticated front label imbued with thermocromic ink, the label contains an accurate thermometer that allows the wine to be consumed at the ideal temperature.

In addition, the back label detaches to reveal the most remarkable thoughts of the directors, actors, and actresses who filled our imagination.
