UNCLE JUMBO'S

American VODKA

DISTILLED AND BOTTLED BY
UNCLE JUMBO'S DISTILLERY, INC.
CLARENCE CENTER, NY, USA

750 ml 40% ALC BY VOL. (80 PROOF)

Uncle Jumbo's American Vodka is in a whiskey style bottle for a reason and not in a tall, cylindrical, fancy bottle like all other vodkas. Not like all other vodkas. Uncle Jumbo's American Vodka is made to be a sippin' vodka with nothing more than a few ice cubes. If you can drink it on rocks, you can surely drink it in a cocktail.
