

92 POINTS

JOHNNY Q PETITE SIRAH (2017)

“Though midnight black at the core, this wine is impressively fruit-driven on the nose with oodles of ripe blackberry and cassis aromas. The round palate tacks on licorice, flint and truffle. Chiseled acidity and firm but seamless tannins give this wine staying power. Oak tones of toasted multi-grain bread and caramel grace the lingering finish. Drink now—2022.”
