VINEYARDS

The sources of the grapes are 50/90 years old vines located in Pesquera de Duero. These oenological treasures possess their own “prefiloxeric” clone, which has been reproduced in the younger vines.

WINEMAKING

Sara Rivera aged French 75% and American 25% oak barrels.

TASTING

The colour is deep purple, bright and clean.

The nose is very intense with lots of ripe fruits such as plums and plums, balsamic and spice aromas such as eucalyptus, clove, white pepper.

Very complex and well integrated with the oak. On the palate is concentrated and long. Great acidity that makes the finish of the wine fresh and clean.
