

## Domaine de Cause Chateau de Ribebon Bordeaux Supérieur

**APPELLATION:** AOC Bordeaux Supérieur

**SOILS:** clay-limestone and gravel subsoil;  
rock and limestone plateau

**PLANTATION DENSITY:** 5000 plants per  
hectare

**SURFACE:** 155 hectare

**MEDIAN VINE AGE:** 40 years

**GRAPE VARIETIES:** 70% Merlot / 20%  
Cabernet Sauvignon / 10% Cabernet  
Franc

**WINEMAKING:** Plots are selected and  
grapes are harvested manually and  
mechanically. They are sorted in the  
winery and completely destemmed.  
They are then fermented in  
thermo-regulated stainless steel tanks at  
temperatures around 28 C.  
Pneumatically pressed. Aged with  
controlled airing for 12 to 24 months.

**TASTING NOTES:** Intense color with shiny  
ruby reflections. Red and black fruit on  
the nose. Tannins are ripe and  
concentrated. Overall a complex and  
sophisticated wine that is very balanced  
on the palate. Generous volume, a full  
body, and a rich and elegant finish.
