# DOMINIO DE PARADA
(2015)

Bright cherry color. Intensely perfumed with complex aromas of ripe raspberries and blackberries interlaced with lavender, rosemary and chamomile on a delicate backdrop of spices and smoky oak. In the palate it shows excellent balance and energy with red and dark berry flavors followed by floral and delicately spiced nuances. It is a very seductive and balanced wine with beautifully well integrated and fine grained mature tannins that has a very balanced and lingering finish.
