MY ROOTS

I grow-up in California - the best place to give birth to red wines of exceptional quality. My grapes are carefully selected with a hand harvesting at full maturity. Then, they are gently crushed and up to maceration and controlled fermentation for 7-10 days. I have rested in barrels for 6 months before being bottled in my country of origin.

APPELLATION

California - USA

MY ANALYSIS

Total Acidity: 5.4g/L Residual Sugar: 4.0g/L
