

**JOULLIAN  
RETRO CHARDONNAY (2017)**

*This Chardonnay is made from a few different vineyards from around the Central Coast, mostly Arroyo Seco and Santa Lucia Highlands. It is bright with lemon meringue and toasty notes from barrel fermentation and a little new oak aging. There's also a touch of sweet fruit that balances nicely with the acidity. A great Chardonnay with a Retro price! This wine will pair nicely with some bisque or brie, or just enjoy it by itself.*
