14,2%

## Vineyards

Situated between 550 and 650 meters, shallow soils on sandstone in the Rioja Alavesa and Rioja Alta area

## Harvest

Manual, during the third week of September

## Winemaking

Short period of pre-maceration, followed by maceration and fermentation over 3 weeks under controlled temperature

## Ageing

30 months in French and American oak, new and old barrels. Two rackings prior to bottling

## Appearance

Attractive, clean and bright ruby red colour

## Tasting notes

Toasted and balsamic notes combine with dark berry fruits, giving way to a full rounded wine with subtle hints of spice and vanilla. Lovely lingering flavours on the palate. A wine of great balance and harmony

## Service

Consumption temperature 16 to 18° C.  
Especially suitable for grilled and roasted meats, game dishes, and perfect with cured cheeses

## Allergens

Contains sulphites
